Wherever you are in North Somerset, we're here for you...

The North Somerset LGBT+ Forum has been an independent, registered charity since 2017. Our current chair Steve Winter-Gray joined the team in 2019, bringing the charity to a wider audience through a variety of exciting fundraising events, community drop-ins and activities.

The Forum is dedicated to supporting the entire district of North Somerset, and remain determined that our activities, events and HQ remain affordable (often free), accessible and fun, and rely solely on donations and charitable grants to continue operating. It is in this way the North Somerset LGBT+ Forum is unique in what we offer the communities of North Somerset.

Our Vision

Our vision is that North Somerset is fully inclusive of, and engaged with its LGBT+ population, and is a friendly and welcoming place to live and visit for members of the LGBT+ community.

Our Mission

To provide a platform for voices to be heard through activities, drop-in sessions, social activities and social media, as well as contributing to the development and maintenance of relevant services through engagement with local authorities, businesses and organisations.

How we can support you

The Forum holds regular groups and events for our communities:
